# HP ProDesk 400 G4 Small Form Factor PC

Designed to fit the modern workspace now and in the future, the small, reliable, and secure HP ProDesk 400 SFF is a powerful PC with performance that's scalable to grow with the business.

HP recommends Windows 10 Pro.

## Powerful options

- Power through your day with high-performance 7th Gen Intel® Core™ i3/i5/i7 processors, unleashed optional Intel® Optane™ memory and SSDs, up to 32 GB of DDR4 memory, and discrete graphics.

## Expansion that extends your investment

- The full value of your investment comes with expansion that extends the life of your PC. The HP ProDesk 400 SFF has two bays and two half-height slots, and optional legacy ports.

## Connection hub

- With 8 total USB ports, two video outputs, and optional Bluetooth™ connectivity, the HP ProDesk 400 SFF becomes a hub for all your devices in the office.

## Tested and ready

- The reliable HP ProDesk 400 SFF experienced 120,000 hours of the HP Total Test Process and now has an optional dust filter to help extend the life of your PC by reducing airborne particulate intake in the most demanding work environments.

- Power through your day with Windows 10 Pro and the powerful HP ProDesk 400 SFF with built-in security, collaboration, and connectivity.
- HP Client Security Suite Gen3 features HP Multi-Factor Authenticate, HP Device Access Manager, HP SpareKey, and HP Password Manager. These tools work to keep data out of reach and defend against theft, attacks, and unauthorized users.
- Keep productivity high and downtime low with HP BIOSphere Gen3 firmware-level automation. Your PCs have extra protection thanks to automatic updates and security checks.
- The HP Manageability Integration Kit helps speed up image creation and management of hardware, BIOS, and security through Microsoft System Center Configuration Manager.
- HP WorkWise is office intelligence rolled into one smartphone app to provide PC security, real-time PC performance information, and simplified printer driver installation for HP PC users.
- Greatly improve the transfer rates of user's data, voice, and video communication when connecting over challenged LAN or Wi-Fi networks with HP Velocity.
- Enjoy always-on, included self-help support built right into your PC, for the life of your PC.
- Rest easy with a PC that goes the distance and is designed to pass HP Total Test Process.
- Audio connections are easy with the Universal Audio Jack that supports mic in, headphones, and CTIA headsets with the same connector.
- HP Touchpoint Manager offers customers simple, useful tools and services from a single cloud-based solution for managing data, security, and a wide array of branded devices.
- Simplify technical support with Helpdesk by HP Care. Rely on cost-effective expertise that's available 24x7, covering multiple brands, devices and operating systems.
- Help maximize your cash flow with the use of best-in-class hardware and services for a monthly

## HP ProDesk 400 G4 Small Form Factor PC

### Recommended Accessories and Services

#### HP Business PC Security Lock v2 Kit

Help prevent chassis tampering and secure your PC and display in workspaces and public areas with the HP Business PC Security Lock v2 Kit.

**Product number: N3R93AA**

#### HP USB Graphics Adapter

HP offers a variety of optional products (each sold separately) designed to complement our monitors and enhance the overall computing experience. The super-compact HP USB Graphics Adapter enables connection of up to six simultaneous displays to help you boost productivity and multi-task across several open applications. Use one Adapter to bridge between a notebook or desktop PC and second monitor or use multiple Adapters to connect several displays to each other. Supports resolutions up to 1920 x 1080 (widescreen) or 1600 x 1200 (traditional).

**Product number: NLS71AA**

#### HP Business Headset v2

Quickly and easily collaborate, chat online or listen to personal media with the crystal-clear sound and noise cancelling features of the sleek, lightweight HP Business Headset v2, designed to complement your professional workspace.

**Product number: T4E61AA**

#### HP 256GB SATA Value SSD Drive

Expand the storage capabilities of your desktop with the HP 256GB SATA Value SSD Drive, which includes TLC flash and the same reliability you already get from current form factor SSD drives.

**Product number: W0U55AA**

#### HP 3-year Next Business Day Onsite Optional Customer Self Repair Desktop/Workstation Only Hardware Service

Receive 3 years of next business day onsite repair from an HP-qualified technician for your computing device, if the issue cannot be solved remotely. For more information on Care Pack services, please visit [www.hp.com/go/kpc](http://www.hp.com/go/kpc).

**Product number: UE379E**

## Messaging Footnotes

- <sup>1</sup> Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS updates to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.
- <sup>2</sup> Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering does not guarantee a measurement of higher performance.
- <sup>3</sup> Sold separately or as an optional feature.
- <sup>4</sup> HP Client Security Suite Gen3 requires Windows and Intel® 7th Gen processors.
- <sup>5</sup> HP Multi-Factor Authenticate requires 7th Generation Intel® Core™ processor, Intel® integrated graphics, and Intel® WLAN.
- <sup>6</sup> HP BIOSphere Gen3 features may vary depending on the PC platform and configurations.
- <sup>7</sup> HP Manageability Integrator Kit is planned to be available first quarter 2017 and can be downloaded from <http://www.hp.com/go/ami/clientsmanagement-overview.html>.
- <sup>8</sup> HP WorkWise smartphone app will soon be available as a free download on the App Store and Google Play.
- <sup>9</sup> Requires Windows and internet access.
- <sup>10</sup> HP Touchpoint Manager requires purchase of a subscription and supports Android™, iOS and Windows 7 or higher operating systems and PCs, notebooks, tablets and smartphones from various manufacturers. Not available in all countries see [www.hp.com/touchpoint](http://www.hp.com/touchpoint) for availability information.
- <sup>11</sup> HP Care Services are optional. Service levels and response times for HP Care Pack Services may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details visit [www.hp.com/go/care](http://www.hp.com/go/care). HP services are governed by the applicable HP terms and conditions of service provided or indicated to customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.
- <sup>12</sup> Financing and service offerings available through Hewlett-Packard Financial Services Company and its subsidiaries and affiliates (collectively HPFS) in certain countries and is subject to credit approval and execution of standard HPFS documentation. Subscriptions to use are available for 24 or 36-month terms. Rates and terms are based on customer's credit rating, offering types, services and/or equipment type and options. Not all customers may qualify. Not all services or offers are available in all countries. Other restrictions may apply. HPFS reserves the right to change or cancel this program at any time without notice.

## Technical Specifications Footnotes

- <sup>1</sup> Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS updates to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com/>.
- <sup>2</sup> Some devices for personal use will automatically be updated to Windows 10 Pro Free when with the Windows 10 Anniversary update. Features vary. See <https://aka.ms/ProUpgradeInfo> for Windows 10 Pro Education features information.
- <sup>3</sup> This system is pre-installed with Windows 7 Pro software and also comes with a license to activate for Windows 10 Pro software. You may only use one version of the Windows software at a time. Switching between versions will require you to uninstall one version and install the other version. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data.
- <sup>4</sup> Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering does not guarantee a measurement of higher performance.
- <sup>5</sup> Your product does not support Windows 8 or Windows 7. In accordance with Microsoft's support policy, HP does not support the Windows 8 or Windows 7 operating system on products configured with Intel and AMD 7th generation and forward processors or processor v Windows 8 or Windows 7 drivers on <http://www.hp.com>.
- <sup>6</sup> Due to the non-industry standard nature of some third-party memory modules, we recommend HP branded memory to ensure compatibility. If you mix memory speeds, the system will perform at the lower memory speed.
- <sup>7</sup> For storage drives, GB = 1 billion bytes, TB = 1 trillion bytes. Actual formatted capacity is less. Up to 10 GB (or Windows 10) is reserved for system recovery software.
- <sup>8</sup> Wireless cards are optional or add-on features and require separately purchased wireless access point and internet service. Availability of public wireless access points limited. The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the network to communicate with other 802.11ac WLAN devices.
- <sup>9</sup> Intel® HD Graphics 540 integrated on 6th gen Core™ i/5/3 processors.
- <sup>10</sup> Intel® HD Graphics 530 integrated on 7th gen Core™ i/5/3 processors and Pentium® G4620, 4600, 4500T.
- <sup>11</sup> Intel® HD Graphics 510 integrated on Pentium® G4560, G4560T, Celeron™ G3940, G3940, G3930T.
- <sup>12</sup> Sold separately or as an optional feature.
- <sup>13</sup> HP BIOSphere with Gen Start available only on business PCs with HP BIOS. HP BIOSphere Gen 3 requires Intel® 7th generation processors.
- <sup>14</sup> Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming media players that also support Miracast. You can use Miracast to share what you're doing in your PC and present a slide show. For more information <http://windows.microsoft.com/en-us/windows-8/project-wireless-screen-miracast>.
- <sup>15</sup> HP ePrint Driver requires an internet connection to HP web-enabled printer and HP ePrint account registration for a list of eligible printers, supported document and image types and other HP ePrint details, see [www.hp.com/go/eprintcenter](http://www.hp.com/go/eprintcenter). Requires optional broadband module. Broadband use requires separately purchased service contract. Check with service provider for coverage and availability in your area. Separately purchased data plan or usage fees may apply. Print times and connection speeds may vary.
- <sup>16</sup> EPEAT® registered where applicable. EPEAT registration varies by country. See [www.epeat.net](http://www.epeat.net) for registration status by country.
- <sup>17</sup> External power supplies, power cords, cables and peripherals are not low halogen. Service parts obtained after purchase may not be low halogen.

# HP V223 21.5-inch Monitor

Easily multi-task across your documents and e-mail with the HP V223 21.5-inch Monitor, a budget-friendly display that's just right for everyday business.

## **Business-class presentation features**

- Enjoy crisp, clear views with Full HD 1920 x 1080 resolution and 5 ms response time\* on an ample 21.5-inch diagonal screen.

## **Create an efficient, smart setup**

- Attach your HP Desktop Mini, HP Chromebox, or select HP Thin Client directly behind the display for an integrated, affordable workspace that's perfect for small spaces. Or, use the integrated VESA mount to place the display on a wall or stand.

## **Easy connectivity**

- Get legacy compatibility with a VGA connector, or use DVI to connect to your newer technology.

## **Designed with the environment in mind**

- Reduce power consumption and help lower your costs with an intelligent, energy-efficient design that is ENERGY STAR® certified and EPEAT® Silver registered.† The display also includes mercury-free display backlights and arsenic-free display glass.

## **Featuring**

- Customize your display's position with adjustable tilt settings and viewing angles.
- Rest assured that your IT investment is supported by a three-year standard limited warranty. To extend your protection, select optional HP Care Packs.‡
