El Demócrata

Órgano de la Junta Central Electoral www.jce.gob.do Septiembre 2014. Edición Especial

JCE LLAMA A PASAR POR SUS OFICINAS A MÁS DE 13,000 PERSONAS, CUYOS REGISTROS SON AUDITADOS POR ALGUNAS INCONSISTENCIAS O PARA FINES DE APLICACIÓN DE LA LEY 169-14.

De interés para las personas con cédula de identidad o solicitud de la misma, inscritas en el registro civil dominicano, cuyos expedientes aparecen en el inventario efectuado en el mes de noviembre del año 2013.

Por medio de la presente la Junta Central Electoral hace de conocimiento público que en cumplimiento de la Sentencia 168-13 de fecha 23 de septiembre del año 2013 del Tribunal Constitucional, que en su ordinal 5to establece entre otras cosas, lo siguiente:

(i), "… efectuar una auditoría minuciosa del registro civil de la República Dominicana desde el 21 de junio de 1929 hasta la fecha…"; así como el Considerando Sexto de la ley 169/14 del 23 de mayo de año 2014, que textualmente dice: "que, entre otras medidas el Tribunal Constitucional dispuso mediante dicha sentencia que a Junta Centra Electoral realizará una auditoria en los libros de registro civil que abarque el período antes indicado a fin de determinar cuáles personas fueron irregularmente inscritas en dichos libros, auditoria que está siendo realizada por dicho órgano estatal, por lo que se trata de personas que resultará debidamente identificadas por dicha auditoría".

Y para agilizar el desarrollo de esta auditoría estamos procediendo a invitar a las 13,305 personas que aparecen en esta publicación, con sus nombres y terminales de números de cédula o solicitudes de las mismas, a presentarse ante las Juntas Electorales correspondientes en las fechas que se indica en este cronograma, con el propósito de verificar el registro de nacimiento que sustenta su documento de identidad.

Es importante destacar que el hecho de que su nombre y los últimos dígitos de su número de cédula aparezcan en este listado, no significa que estas personas confrontan dificultades con su identidad, ya que algunos de los publicados en este documento es sólo por inconsistencia que debemos corregir con su ayuda y el resto, que es la mayoría, es para fines de aplicación de la Ley 169/14.

En efecto, la Ley 169/14 en el Considerando Sexto establece **"Que, entre otras medidas, el Tribunal Constitucional dispuso mediante dicha sentencia que la Junta Central Electoral realizará una auditoría en los libros de Registro Civil que abarque el período antes indicado a fin de determinar cuáles personas fueron irregularmente inscritas en dichos libros, auditoría que está siendo realizada por dicho órgano estatal, por lo que se trata de personas que resultaran debidamente identificadas por dicha institución"**.

Se recomienda a todas las personas indicadas en esta publicación que al momento de presentarse a las entrevistas con los inspectores de la Junta Central Electoral, llevar o aportar cualquier documento o información que pueda ser de utilidad para esta auditoría. Terminada esta fase nos abocaremos a concluir los trabajos de esta auditoría de los casos que corresponda de conformidad con esta misma ley una vez **"subsanada la referida irregularidad en virtud de esta ley, la Junta Central Electoral los acreditará como nacionales dominicanos"**.

La JCE audita sus libros en ardua labor

13, 305 registros pasan por las manos de auditores y técnicos.

Cerca de 60 mil libros del Registro Civil de la República Dominicana y que administra la Junta Central Electoral, fueron abiertos de par en par. Sus páginas fueron recorridas por 250 personas que en horarios extendidos de hasta 16 horas diarias, pudieron contactar la realidad que representa este activo de la dominicanidad.

El levantamiento hecho sobre la base del censo de población de la República Dominicana del año 2010 que habla de 9,445,281 personas, chocado contra 53,847 registros, arrojó un impacto del 0.57 por ciento, que constituye el alcance de la referida sentencia en los registros regulares e irregulares desde el año 1929 hasta la fecha.

El desglose fue el siguiente: 53,847 personas inscritas de padres o madres extranjeros, de los cuales 29,455 fueron registrados conforme a la normativa vigente, es decir que aunque sus padres son extranjeros los mismos tenían categoría de residentes y poseían sus respectivas Cédulas de Identidad, lo que representa un 55 por ciento del total de los hallazgos en el período analizado.

Del resto, 4,859 fueron inscritos con fichas. 5, 296 con pasaportes y 14,237 con otros documentos o sin documentos.

En estos momentos se trabaja de manera ininterrumpida con la auditoría a estos libros según estableció la Sentencia 168-13 del Tribunal Constitucional.
