Dear Americo Rodriguez,

Thank you for your recent order. Please see the attached shipping documents that pertain to your card testing. This package was sent in a tamper resistant package and each envelope is clearly marked with the lot.

We look forward to understanding how everything goes with your testing review and if you need anything else from Q-Card please don't hesitate to ask.

As part of our ongoing effort to continuously improve our products, services and customer support, we would ask that you take a minute to complete a short survey to tell us how we are doing.

Best Regards,
