Estimados señores

Carta de Referencia – IXLA srl

Le escribimos para confirmar que desde 2019 Iris Smart Technologies Limited (ISTL) utiliza equipos de personalización de pasaportes electrónicos de policarbonato (e-Passports) producidos y suministrados por IXLA srl.

IXLA ha demostrado ser un excelente socio, siempre entregando a tiempo de acuerdo con la calidad, cadencia y precio acordados, además de todo el soporte necesario.

Desde 2007 hasta la fecha, ISTL ha sido el contratista principal del Programa de Pasaportes Electrónicos de Nigeria y proveedor de folletos de pasaportes electrónicos para el Gobierno de Nigeria a través del Servicio de Inmigración de Nigeria (NIS). En este período, ISTL ha suministrado aproximadamente 19 millones de folletos de pasaportes electrónicos a NIS y tiene varios millones más de pasaportes electrónicos para suministrar en su contrato actual. El volumen anual de suministro de pasaportes electrónicos es de aproximadamente 2 millones. La mayoría de los cuales son pasaporte de policarbonato que se personalizan mediante máquinas de grabado láser IXLA, que ha llevado a cabo el suministro de las impresoras en el proyecto de transición de documento de identificación sin electrónica a documentos de identificación electrónica.

Recomendamos ampliamente IXLA a su estimada organización y confiamos en que continuarán satisfaciendo y superando las necesidades de sus clientes.

No dude en ponerse en contacto con nosotros si tiene más preguntas y aceptar la garantía de recibir nuestros más cordiales saludos.

Atentamente,

Para: IRIS SMART TECHNOLOGIES LIMITED
