PRESENTACIÓN

En nombre del Pleno de la Junta Central Electoral (JCE), me complace presentar el “Libro de Resultados Elecciones 2024”, una publicación que ofrece una visión integral y detallada del proceso electoral celebrado en el presente año. Este documento tiene como propósito poner a disposición de la ciudadanía, los actores políticos y los y las analistas del sistema electoral un compendio estadístico oficial de los comicios, en cumplimiento de lo establecido en el artículo 20, numeral 19 de la Ley núm. 20-23, Orgánica del Régimen Electoral, que dispone como atribución de la Junta Central Electoral (JCE) la responsabilidad de “publicar la memoria del proceso electoral y sus resultados en su oportunidad”.

Las elecciones ordinarias generales de 2024 han representado un nuevo hito en la historia democrática de la República Dominicana. Este proceso no solo reafirmó el compromiso de la Junta Central Electoral (JCE) con la transparencia, la equidad y la integridad electoral, sino que también reflejó la madurez cívica de la ciudadanía dominicana, que ejerció su derecho al voto con determinación y responsabilidad.

Este libro presenta un desglose estadístico exhaustivo de los resultados en todos los niveles de elección, proporcionando una herramienta clave para el análisis de la participación ciudadana y la evolución del electorado. La publicación incluye información detallada de todos los niveles de elección, tanto a nivel nacional como en las circunscripciones del exterior.

Es importante resaltar que, cada elección representa un desafío, y el proceso electoral de 2024, estuvo marcado por importantes avances en tecnología electoral, fortalecimiento de la fiscalización y accesibilidad al voto, consolidando a la Junta Central Electoral (JCE) como una institución comprometida con la modernización del sistema electoral. No obstante,

estos avances también plantean nuevas metas, reafirmando la necesidad de seguir fortaleciendo la confianza en la democracia y en los mecanismos de representación.

El “Libro de Resultados Elecciones 2024” no solo responde al mandato legal de divulgar los resultados, sino que también se convierte en una herramienta de análisis y reflexión para todos los actores del sistema electoral.

- Para la Junta Central Electoral, representa un insumo clave para evaluar su desempeño institucional y definir estrategias que fortalezcan la administración electoral.
- Para los partidos políticos, agrupaciones y movimientos, constituye una fuente de información valiosa para comprender el comportamiento del electorado y diseñar estrategias de participación más efectivas.
- Para la ciudadanía, investigadores y especialistas, es un documento de referencia fundamental para el estudio y la profundización en temas de política y democracia electoral.

Finalmente, desde la Junta Central Electoral (JCE), reafirmamos nuestro compromiso con la transparencia, la integridad y el fortalecimiento del sistema democrático en la República Dominicana, confiando en que esta publicación contribuirá significativamente a la construcción de una democracia cada vez más robusta, participativa y equitativa.
